Dear Competitor,

Hard to believe that nearly twelve months have passed since our very successful 2022 Historic Leyburn Sprints event. In the past year, there have been a lot of changes, particularly with the passing of key members of our committee. But we are looking forward to a great 2023!

It is our pleasure to invite you to submit your registration to compete at the Historic Leyburn Sprints to be held on the 19th and 20th August 2023. This will be the 27th running of the event, and as usual, we are beaver away at things behind the scenes to continue to improve the event, and make it even more enjoyable for competitors and spectators alike, along with of course, friends, family and volunteers.

I am pleased to announce that Tourism and Events Queensland has once again supported the event. Their support, as well as that of a number of other sponsors and supporters, allows us to continue to make improvements to the event for the benefit of both competitors and spectators. Please support them wherever and whenever you can. We are excited to have new sponsors on board, including Leyburn locals Reid's Rural Timber, and Western Truck Group. Previous sponsors have also committed once again for the 2023 event.

We are pleased to advise that there has been no increases in prices from 2022, so you'll expect the same for competitor entry fees, spectator entry fees, pit camping, and general camping (in the campgrounds). We are keenly aware that inflation is out of control, but we are doing our best to try and provide you with a cost effective experience, that won't hurt the hip pocket too much.

Those competitors who wish to camp in the race precinct area are reminded this area is for competitor camping only – there is plenty of space for others to camp in the area beside the creek. As space is at a premium in the paddock, an area of approx. 7 x 8 metres will be allocated to each entrant, so please be mindful of fellow competitors. Following on from the 2022 event, we are taking online bookings for camping across the creek, but this is not applicable for the pits/paddock camping. For pits/paddock camping, please refer to instructions on the Entry Form.

Friends, teams and/or clubs who wish to camp together will need to organise their own sites and are urged to get in early to secure their spots. However, please note that due to the eagerness of some competitors in past years, we have in place a policy that if any sites are roped off prior to the 12th August, they will be removed. The committee and local council want to make the area as nice as possible prior to the weekend, and that includes mowing – roping off areas too early hinders this process.

Please complete the entry form at your earliest convenience and post, or scan and email it to the Event Secretary, Rod Sams. Please note that entries close at 5.00pm Friday 7th July – no late entries will be accepted, you will also need to ensure that you have paid your entry fee by the 7th July, otherwise your entry will not be considered.

We are very pleased to announce that all Juniors who enter, and compete for the Mike and Ann Collins Memorial Trophy, will be able to enter the event at ½ price! This is a fantastic opportunity for young people to get into motorsport – please refer to the Supplementary Regulations for further details (and make sure that you fill out the Entry Form appropriately). Juniors are allowed to double enter vehicles with their Mum/Dad/Relative/Family Friend (the other person driving the car will need to pay full price – sorry about that!).

We are looking forward to welcoming you to Leyburn in August.

Any competitor found in breach of these conditions may forfeit all further runs for that day or both days for all drivers of that vehicle. Once outside the race precinct all drivers are subject to normal road rules and regulations.

28 COVID – 19 STATEMENT

The event will be conducted in accordance with the Queensland Health covid management requirements in place at the time of the event. Competitors and crews are reminded for their own well-being to continue following social distancing and good hygiene practices while at the event.

End of Supplementary Regulations

GENERAL INFORMATION (Not forming part of these Supplementary Regulations)

ORGANISERS NOTE:

The event organisers have a good relationship with both the Queensland Police Service and the local community and it is that relationship that allows the event to be conducted each year. The Queensland Police Service will monitor the movement of competitor's vehicles and will take action accordingly as required.

EVENT PASSES:

All members of your crew/team will need to purchase an entry pass to attend the event. Children under 14 are free. This year each entry will receive three (3) passes as part of the entry payment. Extra Weekend passes can be purchased with your entry for the discounted price of \$25.00. No discounted tickets available at the Event.

Your free passes will be allocated as per the order outlined in the attached table:

PASSES/TICKETS	Recipient	Cost	Quantity
	Driver	Free	1
	Relief Driver/ 1 st Pit Crew/ Family/Friend	Free	1
	1 st Pit Crew/ 2 nd Pit Crew Family/ Friend	Free	1
	Additional Pit Crew / Family/Friend	\$25/person (Discounted from \$35)	As ordered on entry form

Please fill out your pass allocation on the payment section of the Entry Form. Ensure you have read the instructions and complete as appropriate.

ACCOMMODATION:

Camping:

Basic campsites are available in a designated area across from the General Store for tents, caravans, campervans etc. at \$75 per tent/caravan/campervan etc., where hot showers and toilet facilities are provided Wednesday to Monday (that's \$75 for the total period, not per night). Bookings are being taken for these campsites – please refer to Facebook and our website for further details.

For competitors/crew camping in the paddock area, streets or other areas of the race precinct the fee will be \$40.00. Special passes will be issued for each campsite and enforced. For Competitors who are camping within the race precinct area please include the fee as part of your entry payment. These fees assist the organising committee to provide adequate toilets, showers and other facilities for campers.

To ensure adequate sites for camping in the paddock area each competitor will be allocated an approximate area of seven by eight metres for their race vehicle and camp site. Only one service/tow vehicle allowed per race vehicle. All others must be parked in the general parking area outside of the precinct. Trailers MUST be placed in the trailer parking area. We rely on you to only take the space you need, if it is deemed that you are taking up more space than necessary, you will be asked to downsize.

Please Note: No sites in the Race Precinct area are to be roped off prior to the 13th August.

Extra accommodation may be available at a number of locations on the Downs:

Warwick – 60 kms from Leyburn by road offers many choices for accommodation including motels, hotels B&Bs and caravan parks.

Toowoomba - 70 kms by road from Leyburn also offers many choices for accommodation.

Other smaller centres such as Pittsworth - 44 kms, Clifton -38 kms and Allora - 45 kms also may have accommodation available.

OTHER:

PLEASE DO NOT BRING DOGS TO THE EVENT: Dogs, except for assistance dogs, are strictly prohibited within the race precinct area. If you wish to camp in the pits/paddock area you are not allowed to have a dog with you.

As per previous years, those who are eligible to compete for the Mike and Ann Collins Junior Memorial Trophy will run in a regularity style event for the Junior Award and will also be eligible for awards in their normal (car) category.

This event will run in compliance with the Speed Event Standing Regulations and Regularity Trial Standing Regulations. Apparel requirements are as per Schedule D for Speed Events.

Important Instructions and information for the weekend:

1. All juniors will each be given a run either right at the start of the racing on the Saturday morning, or very close to. This will be a 'free' run, where it is timed, but will not count towards any results, and it will be in addition to the number of runs that you get over the weekend (which is usually about 7). The purpose of this run will be to establish a time, and you'll then use this time to set your regularity time.
2. Based on your time that you did on this run, you'll nominate your time and submit this to Junior Competition Co-ordinator who will be managing the points over the weekend. It is recommended that you set a time that is slightly faster, as more often than not your times will get faster over the weekend.
3. You'll have time to talk to your parents/friends about what time you want to nominate. The Co-ordinators location will be advised in Further Regulations, so you'll have to visit there when you are ready to nominate. If, during the course of the weekend, you wish to modify your time, you can. However obviously the points from the runs that have already been completed cannot be changed.
4. After you do your initial 'time setting' run, you'll run in your normal respective classes, but you will also have a 'J' sticker on your car, so that the spectators know when a junior is out on track – everyone is extremely interested in the juniors and want to see them go well!
5. At the end of each of your runs, your points will be updated and displayed on Facebook, and also on a special board that will be displayed at the front of the pub for the duration of the weekend.
6. The points system will work as follows:
 - a. All competitors will start with zero points.
 - b. For each FULL 1/10th of a second you are quicker than your nominated time, 2 points will be deducted.
 - c. For each FULL 1/10th of a second you are slower than your nominated time, 1 point will be deducted.
 - d. Part 10th aren't counted (e.g. if you set a time of 57.00sec, and you do a 56.92, you do not lose any points, as it isn't a full 10th).
 - e. The junior with the least amount of points deducted at the end of the weekend is the winner.
 - f. Juniors must participate in at least four runs, the best four runs (that is, with the least points lost) will be combined to declare the winner.
7. Our Clerk of Course, Ian Mayberry, will hold a special drivers briefing for the junior's, immediately following the normal driver's briefing (the juniors and their parents will need to attend both).

What our award encourages is not necessarily the fastest car out there, but a smooth and consistent approach to racing, which as we know is one of the keys to winning a motor racing event! We want to encourage participation and the learning of driving skills of our juniors, rather than just who can handle the fastest car. This is certainly what Mike and Ann promoted as well.

As mentioned, all juniors will still be eligible for winning places in their respective classes. One issue that might be encountered is that a junior will find themselves getting faster over the weekend and if they keep doing that, they start to blow their chances of winning the junior award, but in trade off, they are vying for a position within their class. This will need to be a decision that is made as a family, whether to slow down to keep in with a chance of the junior award, or just go for it for the class position! Not too bad a situation to be in really (but don't forget you can adjust times).

The winner will have their name immortalised on the Mike and Ann Collins Junior Memorial Award that is hanging on display in the pub – this is a perpetual trophy, but the winner will also take home their own trophy.

Lastly, in order to promote the Junior aspect of the event please send a short bio on yourself and a few pictures of you and of your car. We will put a post on Facebook of each of you. Please send to president@historicleyburnsprints.com.au
